EAST BAY

ANNUAL REPORT

2022-2023

*Supporting and empowering
people of the East Bay.*

Dear Friends,

Through the turbulence of the past year, JFCS East Bay has taken pride in serving our community with heartfelt care. Together with thousands of donors and volunteers, we partnered with our clients through offering financial, logistical, and emotional support for families experiencing food and housing insecurity, resettling refugee families, providing legal services for immigrants, and care management for older adults. Our mental health services for children and their caregivers helped young children, their family members, and their teachers through therapy and counseling. Our Jewish Community Care services offered support to Holocaust survivors, students, adults with disabilities, and members of our community facing short term crises.

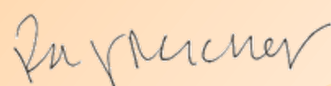

While taking care of our community, we have also been investing in our future. We continue to deliver on our strategic commitments to build our infrastructure, build bridges, and build belonging. Over this past year, we implemented new technology tools to more effectively support our clients and staff. We strengthened our capacity to provide mental health care services, increased our funding to meet the needs of East Bay Holocaust survivors and the family members who assist them, and reimagined our website to better serve clients. We also increased the compensation and benefits we offer to our staff to attract and retain our talented team.

Together with many community partners, our in-person and online events included a forum on Jewish poverty, several Afghan social and educational events, resource fairs for immigrants, cultural excursions and holiday gatherings for Jewish older adults, and the annual Jewish Public Affairs Committee of California (JPAC) Capitol Summit. We supported 10 congregations to hold Refugee Shabbat events, building awareness of the Jewish community's commitment to welcome the stranger. Together, we contributed to building a community where everyone can flourish with dignity.

We are deeply grateful for your support. We couldn't achieve all this without you. We look forward to continuing to serve our community as we grow our capacity in the year ahead. And we are excited to continue building bridges and belonging, together with you.

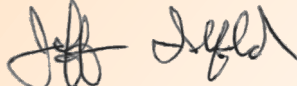

Sincerely,

Robin Mencher
